

- Sue  *Just wanted to give all of you a huge round of applause! Perfectly organized race, everything on-time, well-marked and manned course, great volunteers and clear instruction for all elements. It was all around just great, and for a reasonable price too!*
- Melissa  *THANK YOU for such a well- orchestrated event today! Attention to detail, easy to navigate morning of race, friendly staff and volunteers! Blue skies and sunshine on top!*
- Donald  *Kudos to AMP! Even though I was darn near last, it was a great event. You do a great job staffing and the event was well coordinated. This was my second AMP event and I will be participating in many more. Keep up the great work!*
- Laurie  *Thanks to all for an amazing, organized, well-run race. This was my first All-Out race, what a great find!*
- Donna  *Thanks for putting on a top-notch event today. Everything from packet pick-up on Thursday to the race today ran very smoothly. I've run Boston 5 times & have 13 total marathons to date under my belt, have been on staff for a local race, & volunteer as much as possible, so I've seen both the well-done races & the not-so-well-done ones. You should be very proud of the quality of your events!*
- Katie  *Thank you for putting on such an awesome event. I've been in a lot of races and this was definitely one of the best run. It was like a well-oiled machine. I am looking forward to participating in future events run by you guys! Great job!*
- Jim  *As one of your vendors we hear from so many runners that you are one of the best race promoters to run for, and now I know why. Thank you so much for an amazing first 5K ever. Had a blast!*
- Michelle  *I ran my first half marathon yesterday at your event and I just wanted to say thank you!!! It was the best organized and staffed race I have done... and I've done 5K's and 10K's across the country. You guys are just awesome!!*
- Christi Ann  *Thank you for putting on an amazing race today. And thank you to the RD for making sure everyone to the very last finisher was supported and cheered for! Amazing experience! I'll definitely sign up for more races and recommend you to everyone!*
- Mitch  *I wanted to thank you for putting on what was a fantastic race today, despite the weather. I'm so glad that I was able to do my first marathon with All-Out and had such a wonderful experience. I really appreciate the devotion and passion that you have for racing and your "Superior Events from Start to Finish Line" mantra really does hold true.*
- Natalie  *What an awesome event this morning. Thank you so much! Loved the course, loved all of the positive people, loved the volunteers. Wonderful race!*
- Sara  *My husband and I have recently started participating in several events and yours was by the far the best! From start to finish, you guys have thought of it all. We appreciated the on time start, the course support including water for dogs, well-marked paths and water stations. We couldn't believe how many raffle prizes you had and were happy you made sure everyone won something! Thanks for a job well done!*
