

5K Course Map & Description

5K athletes will leave the Stenger parking lot toward the south to join up with Van Bibber Creek Trail. Making a right hand / westbound turn, athletes will run approximately 1.3 miles before reaching the first turnaround on this double out & back course. Athletes will return the way they came, passing the northbound path to complete a short dogleg, then turn around again and head for the finish line having had 2 opportunities to fuel up along the way.
