

## Half Marathon Course Map & Description

Half Marathon athletes will leave the Stenger parking lot toward the south to join up with Van Bibber Creek Trail. Making a right hand / westbound turn, athletes will run approximately 2.5 miles before turning around to return the way they came on this double out & back, two lap course. Athletes will continue past the northbound path to begin the second out & back, turn around again, then head out for a second lap. Upon completion of the east section for the second time, athletes will head for the finish line and will have had 10 opportunities to fuel up.
